

Auckland Regional Skin Cancer Study Day

An all-day course for nurses

9.00 am – 4.30 pm

Friday 7 May 2021

Auditorium, Clinical Education Centre, Auckland City Hospital

This one-day course will cover skin cancer prevention, early detection, diagnosis, treatment and care. Participants should gain an increased understanding of the journey of a skin cancer patient and the critical role of a nurse throughout this journey.

Hosts

The course is hosted by Cancer Nurse Coordinators and MelNet.

Kindly supported by

Thank you to MSD, Esteem Healthcare, Skin Cancer Symposiums and La Roche-Posay for their generous support.

Join MelNet today!

MelNet is looking for members, and membership is free!

By becoming a member you can add your voice to the growing number of health professionals concerned about reducing the incidence and impact of all skin cancers, including melanoma.

Other benefits:

- Receive updates on upcoming courses, events and news
- Post your research and activities on the MelNet portal
- Receive regular e-newsletters with upcoming activities and recent publications, and opportunities for member feedback and advocacy
- Have access to contact details for fellow professionals through the directory of members.
